

CE Information

District IV NABP Annual Meeting

Indianapolis, IN

10/16/2019 thru 10/18/2019

Needs - Pharmacy practitioners need to be up to date as it relates to current issues which impact practice and the education of students and/or patients. Current issues and relevant practices, i.e. OUD crisis, prescription filling, drug testing, tele-health, compounding etc. of Pharmacy Practice will be covered throughout the conference to bring current practices to light.

Learning Objectives:

1. Describe current challenges of the opioid crisis
2. Describe recent advances in pharmacy practice
3. Describe recent advances in compounding
