

### **Ken Brown, RPh Bio Sketch**

Ken Brown is the Director of Pharmacy Operations at Buckeye Health Plan, a wholly owned subsidiary of Centene Corporation. Ken's responsibilities include overseeing pharmacy and clinical operations and implementing clinical and quality programs designed to improve the health and well-being of Buckeye members. Ken has more than 30 years of experience in the managed care and PBM industries and brings broad government program expertise as well as extensive experience in delivering best-in-class operational solutions and in building high-caliber teams. Ken helps oversee multiple government programs at Buckeye, including Medicaid, Medicare and Health Insurance Marketplace (Exchange). Ken received his bachelor of science in pharmacy degree from The Ohio State University, and is a registered pharmacist in the state of Ohio.
