

Dr. Veronica Vernon is a proud graduate of Purdue University College of Pharmacy and is Vice Chair and Assistant Professor of Pharmacy Practice at Butler University. She completed her residency training with Veteran Health Indiana (VHI). Upon graduation, she created and became the first gynecology pharmacist at VHI. She joined the Butler faculty in 2017, where she now teaches pharmacy law, sex and gender health topics, and diversity and inclusivity in health care. Dr. Vernon is passionate about advocacy, pharmacy law, and health policy. She directly influences pharmacy policy in Indiana through her work with legislators, regulators, and lobbyists. Dr. Vernon chaired the Indiana Pharmacist Association Legislative and Regulatory Council for five years and is the Immediate Past President of the Association. She is the past recipient of the APhA Good Government Pharmacist of the Year Award, ACCP Ambulatory Care PRN Advocacy Award, and multiple teaching awards. She enjoys paddle boarding, traveling, and spending time with her family.
